

AUTISM SOCIETY OF EAST TENNESSEE (ASA-ETC) --A Chapter of the Autism Society

Our mission is to provide support, services, advocacy, education, and public awareness activities for all individuals with Autism Spectrum Disorders (ASD) and their families as well as educators and other professionals by providing:

- Conferences, workshops, and multiple education opportunities
- Social skills programs for children with ASD and typical peers, as well as family activities
- Support to parents and professionals via email, newsletter, and website; knowledge of local resources and support groups; and parent representatives in the counties served,
- Ongoing Autism awareness, education, and advocacy in a variety of settings

We are parents and professionals working together to improve the lives of people with autism and their families by providing programs, support, resource information, and creating opportunities to live a successful life and bringing awareness about the ways the citizens in the community can help.
